EDUCATION

M.L.V Textile and Engineering College

Bachelor of Information Technology - **CGPA - 8.5/10**

September 2022 - June 2026

Bhilwara, Rajasthan

A'S Steward Morris School

12th CBSE Board with - **Percentage - 70%**

July 2020 - March 2022

Bhilwara, Rajasthan

COURSEWORK / SKILLS

- Data Structures & Algorithms
- Database Management System
- Operating Systems
- OOPS Concept
- Web Development

PROJECTS

AMAZON CLONE 🔗 | [MERN](#)

March 2024

- Developed a full-stack e-Commerce platform with features like product listing, shopping cart, and secure checkout
- Implemented user authentication, order management.
- Designed a responsive and intuitive UI using React.js for enhanced user experience.
- Optimized MongoDB for efficient product and order data handling.

AI-Powered Chat Application: 🔗 | [MERN](#)

Dec 2024

- Developed an AI-powered application that improves user engagement and interaction.
- Integrated OpenAI's GPT API to generate AI-powered responses, enhancing conversational capabilities.
- Deployed the application to a cloud platform for accessibility and scalability.
- Utilized MongoDB to store user data and chat histories, ensuring secure and scalable data management.

WEATHER APP 🔗 | [ReactJS](#)

Feb 2025

- Developed a responsive weather application using React.js, enabling users to fetch weather data based on either real-time geolocation or manual city search.
- Implemented browser Geolocation API to automatically detect user's location; built fallback mechanisms to handle user denial or errors.
- Integrated external weather API (via Axios) to pull current weather details, including temperature, humidity, wind speed, and dynamic weather icons.
- Ensured robust error handling and user guidance—alerting users on geolocation/API issues and preventing application crashes.

INTERNSHIP

PREGRAD ONLINE TRAINING PLATFORM 🔗

11 2023 – 01 2024

MERN Stack Developer Interns

Noida, India

- Learned about development fundamentals and gained hands on experience with technologies.
- Gained hands-on experience with the MERN stack by completing industry-focused projects and responsibilities carried out.

TECHNICAL SKILLS

Languages: Java, C, C++, JavaScript, SQL, HTML, CSS, JavaScript.

Developer Tools: VS Code, IntelliJ Idea Ultimate

Technologies/Frameworks: GitHub, ReactJS, Redux, NodeJS, ExpressJS, Git, MongoDB, Bootstrap

CERTIFICATIONS

- Certificate in MERN Stack Development by Pregrad, Noida UP.
- Selected for Smart India Hackathon (College Level).
- Certificate in C programming by Great Learning.
